

EMCH380 – Project Management

Case Study Analysis – Requirements

Assigned Case Study:

- Refer to the “Groups” document to know which case study is assigned to your team.
- Refer to the class schedule to know when your presentation is scheduled.

Due Date:

The following parts of the Case Study Analysis need to be submitted the day before your presentation, late submission will be penalized.

- [Part A: Group Assignment \(10 points\)](#)
Analysis of the assigned case study following the provided “**Case Study Analysis – Guide**” (word limit: 3000 words). One document per group to be submitted to Blackboard by the team leader.
- [Part B: Individual Assignment \(5 points\)](#)
Discuss your takeaways from this case study (word limit: 500 words). This document is to be submitted individually by each team member.
- [Part C: Group Presentation \(10 points\)](#)
Each group will have 20 minutes to present their case study analysis by summarizing the studied case for the class, and recapping their finding and recommendation. A 5-minute Q&A will follow each presentation.

Notes:

- The case study analysis should be submitted on Blackboard, scanned submission or hard copies will not be accepted.
- SafeAssign will be used to identify areas of overlap between the submitted assignment and existing works.
